Kit Rieles CA80
CA80 Track kit

Corredera colgante para armario de puertas hasta 80kg con riel y guía de aluminio, de gran resistencia y suavidad.

Hanging sliding system for closet with doors up to 80Kg with aluminium track and guides, of great resistance.

USOS / APPLICATIONS

Puertas de madera y aluminio / Wood and aluminium doors
Puertas de armario / Closet doors

CUALIDADES

I Fácil Instalación, gracias al sistema de clipeo de la guía.

I Sistema de cierre suave incorporado al riel proporciona una apariencia limpia.

I Opción de utilizarse con 2 tipos de cierre suave, dependiendo del tipo de carga de las puertas.

I Se puede utilizar en armarios de dos o tres puertas.

I Utilizar con MDF, perfil de aluminio o madera.

FEATURES

I The clipping system allows a quick and easy installation.

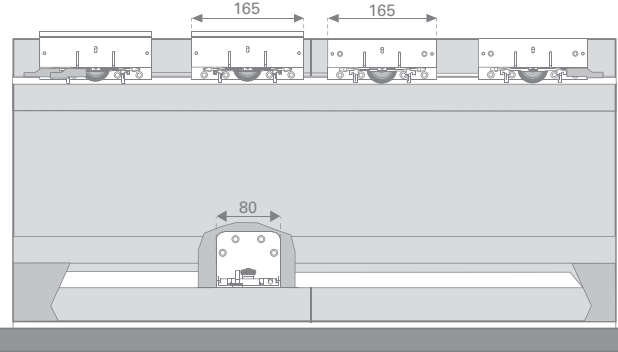

I The soft-closing system is hidden in the track, providing a clean appearance.

I Can be configured with two different types of soft-close, according to the weight of the doors.

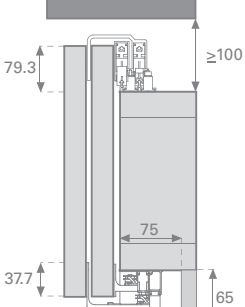

I It can be used in two door or three door closet setting.

I Use with MDF, Wood or aluminium profile.
